About This Content

Something terrifying is haunting the school classrooms and halls...

Haunted School Tiles will take your players on a terrifying journey into a school brimming with sorrow, anguish and danger.

Created by Sherman3D, this pack includes the essentials you'll need to create the inside of a Victorian-inspired school or mansion that's possessed by evil. From altars and doll parts to blood-soaked floors, Haunted School Tiles is a great addition to your growing library of RPG Maker resources.

Features:

- Basics needed to create a haunted school or mansion.
- Student and teacher desks, blackboard, antique furniture suitable for horror games, thrillers and more.
- Material arranged for both clean and cluttered maps.
- Created and optimized for RPG Maker MV.

While what is provided is of high quality, there is so little of it that its price of \$12.00 is hardly justifiable. Most tilepacks of similar prices have as much as 3X as much stuff as this. Maybe get this on a steam sale for a buck, but otherwise stay away.
